**BOTH SIDES THE TWEED**

Trad/Dick Gaughan (A minor?)

What's the spring breathing jasmine and rose

What's the summer with all its gay train

Or the splendour of autumn to those

Who barter their freedom for gain

**Chorus**

Let the love of our land's sacred rights

To the love of our people succeed

Let friendship and honour unite

And flourish on both sides the Tweed

**Chorus**

No sweetness the senses can cheer

Which corruption and bribery binds

No brightness that gloom can e'er clear

For honour's the sun of the mind

**Chorus**

Let virtue distinguish the brave

Place riches in lowest degree

Think them poorest who can be a slave

Them richest who dare to be free

**Chorus**
